

# CHRISTOPH BURKHARDT

AI EVANGELIST / SILICON VALLEY ENTREPRENEUR

Christoph is a Silicon Valley entrepreneur, author of multiple books and sought after advisor by executives at global players such as Pfizer, BMW, Allianz or Aldi.

He regularly guest lectures at leading schools such as ETH Zurich, St. Gallen or Stanford. He has mentored over 300 startups and has - as a startup CEO - led a team of 90 through a successful global product launch.

He specializes in emerging technologies, impact innovation and digital business models. Born and raised in Germany, the unconditional optimist made San Francisco his home over a decade ago.
